This house, located on the south side of East Frederick Street, is a two story, two bay frame gable front building, probably dating from the early 20th century. The house is German sided with decorative shingle work in the front-facing gable. Windows have two over two pane sashes with molded flat topped architraves. The main entrance is located in the east bay of the front elevation and includes a transom. There is a cross gable on the east side. The house appears to be in good condition.
